PROFILE/PERSONAL DETAILS

Ilona Dearden is a creative person with a fun, polite and caring demeanour. Having worked as a Scenic Painter for the past four years within Film, Theatre and Events, she has collected an array of knowledge within the creative industry. Ilona also has a background in Set designing for theatre, and very much enjoyed being a part of the process from beginning to end. She wishes to bring forward her creative experience into the Art Department. She thinks she would be best suited within the Sec Dec or Props team within the Art Department, but is keen to start as an Assistant and see what path intrigues her in the future.
