Personal Statement

A highly motivated and hard-working Graduate who has gained significant experience working as Art Assistant and Prop Maker as well as assisting with set design for numerous film and music video productions.

Effective working diligently both within a team and independently on initiative, a creative and artistic professional who is a quick learner, always punctual and works ahead of schedule.

Personable and polite, collaborative and determined, a reliable, well-organised individual who is enthusiastic, inquisitive, and observant, and will be an asset to any creative team on set.
