## Work Samples

Self-initiated project exploring graphic props for *The Shining* and *The Florida Project*, with all designs proposed and imaged to authentically fit the space, time period, and narrative world.

### The Shining

01

### The Florida Project

02

I am a First-Class (Hons) Graphic Design graduate pursuing a career in the Art Department for Film and TV, with a particular interest in Graphics and Set Decoration. I am a proactive, detail-oriented collaborator, committed to developing the core skills required for a long-term career within Graphics for Film and TV, combining research with creative making to produce authentic, story-driven graphics for both period and fictional worlds. **Willing to relocate and travel.**
