I've been working in Film&TV for 7 years, mainly performing as an Assistant Art Director and Art Dept Coordinator on service commercials, short films, TV series, and an international feature.

My expertise lies in taming the chaos of the art department by giving its workflow structure and simplicity. With a keen eye for detail, I thrive in fast-paced environments and can summon my talents at will to deliver creative work on a deadline.

Soft Skills

- Creative copywriting
- Analytical thinking
- Ability to structure processes and plan ahead
- Communication and briefings with stakeholders
- Tracking the team's deadlines and to-do lists
