LEONIE DWIGHT

Art Department &
Props Trainee

ABOUT ME

I'm seeking roles as an Art Department trainee, I'm particularly passionate about set dressing and prop buying. Due to my background in tattooing and my love for photography, I have a lot of transferable skills. I'm reliable, have strong communication skills, work well in high pressure fast paced environments and I have a very good eye for composition. I'm more than happy to travel for work.
