LEONIE DWIGHT

Art and Props Trainee

ABOUT ME

I'm seeking roles in the Art and Props Deparment, I'm particularly passionate about Dressing and Standby . Due to my background in tattooing and my love for photography, I have a lot of transferable skills. I'm reliable, have strong communication skills, work well in high pressure fast paced environments and I have a very good eye for composition. I'm more than happy to travel for work.
