PERSONAL STATEMENT

Ten years with the Vintage Mobile Cinema sparked a lasting adoration for Film and TV and, since it was sadly destroyed last year, I have gained many of the necessary skills needed to excel as an Art Department Assistant in the industry.

Over the past 8 months, I have been fortunate enough to have worked on a Major Motion Picture (Art Dept.) and a Band 5 Apple TV programme (Art Dept. and Locations) and would relish the opportunity to continue building on this experience by learning from and supporting your team.
