Among Us

SENIOR ART DIRECTOR

SENIOR
ART DIRECTOR

A people-and-production focused role: helping the Art Department deliver through clear communication, coordination and practical decisions.

The technical drawings were produced by the Art Directors I supervised.

Leadership & collaboration

Oversaw two Art Directors and working closely with the Supervising Art Director, keeping design and production teams connected.

Construction & action elements

Coordinated construction, action vehicles and breakdowns, supporting the practical delivery of sets and sequences.

Production management

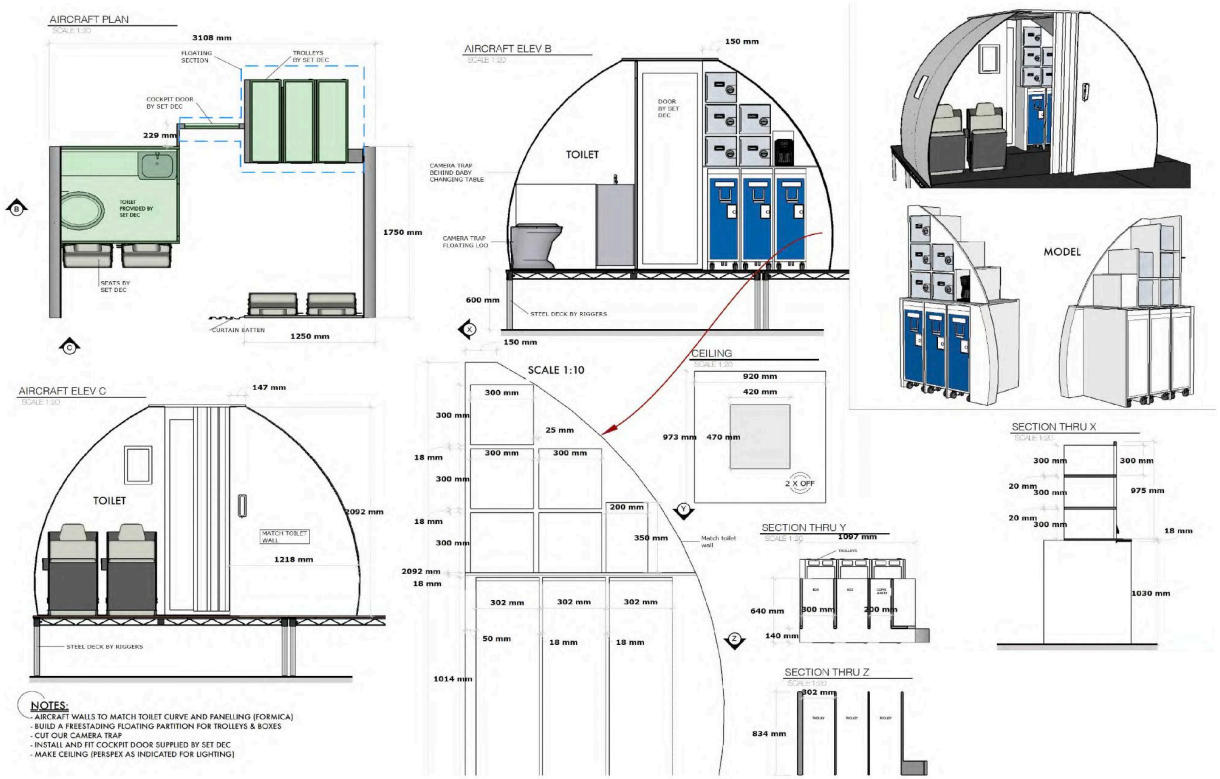

Supported budgets and cost figures, planning, schedules, script updates, production meetings and presentation materials.

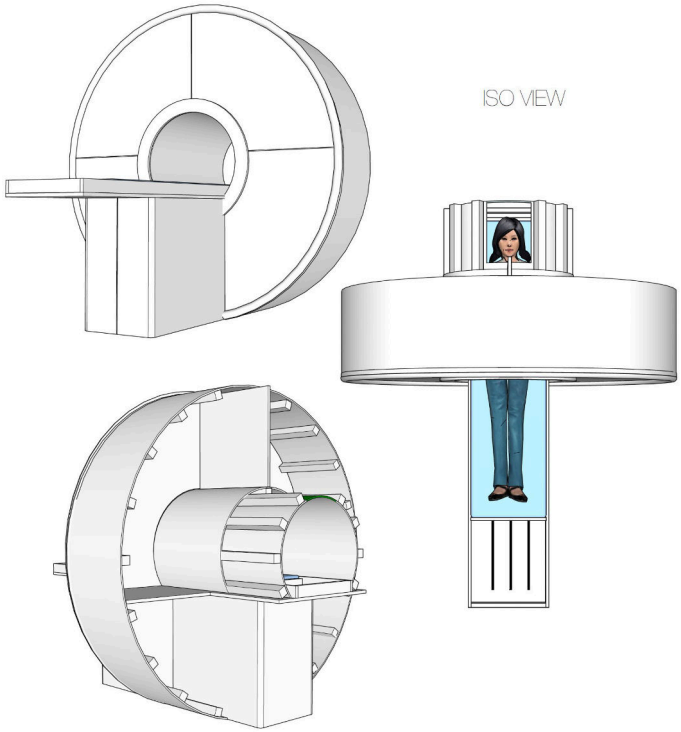

The Crow Girl • Series 1 & 2

ART DIRECTOR

Aircraft toilet & MRI Machine

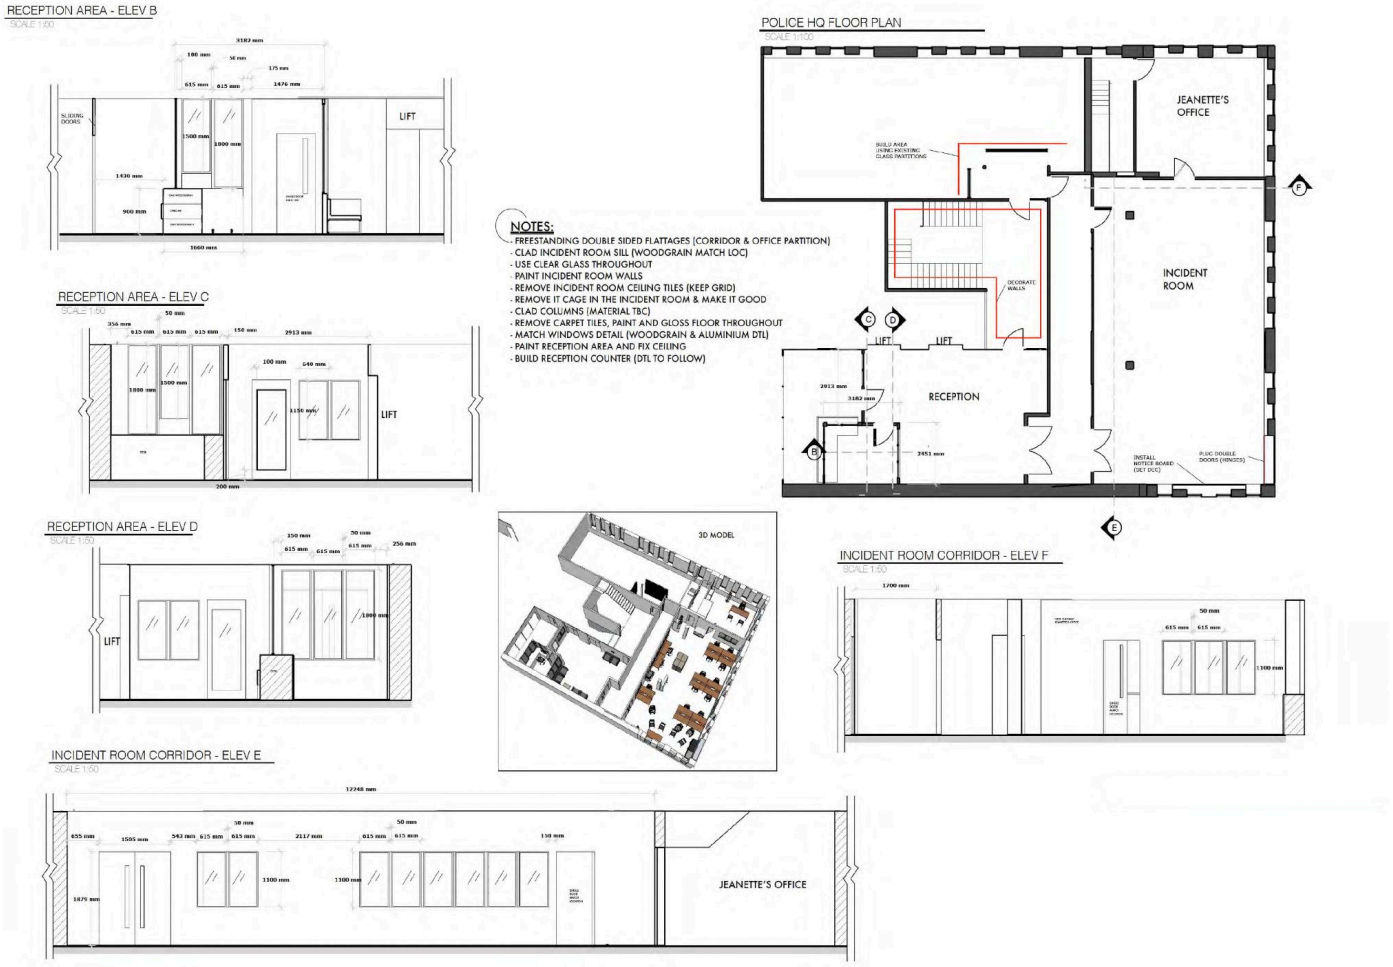

Technical information alongside visual development
Working between precise set drawings and visual references - turning unusual spaces into practical, buildable environments.

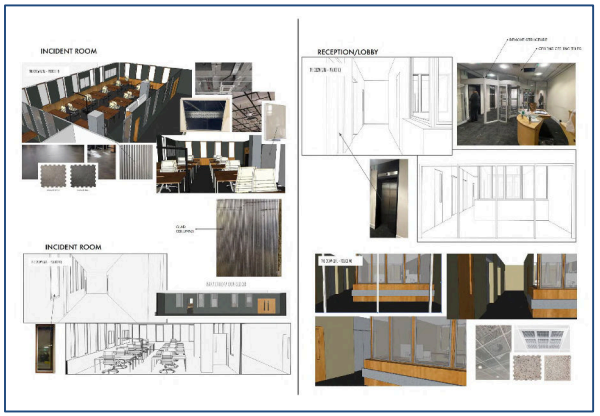

The Crow Girl • Series 1 & 2

ART DIRECTOR
