Personal Statement

Since 2019, Shakeelah has helped bring stories to life through thoughtful attention to detail, texture, and visual storytelling. Working as a Standby Props, Dressing Props, and Art & Props Assistant, she has contributed to a wide range of productions, supporting art and props departments throughout both pre-production and on-set filming. Alongside her assistant roles, Shakeelah has taken on Art Director and Production Designer positions for promos, short films, music videos and lower-budget projects, developing a well-rounded understanding of how visual elements shape a story.
